Know More

• START OF THE JOURNEY

How it *began*.

RIYADH • 2025

Arabian Accelerator, powered by India Accelerator and *NTDP* — a national program contributing to the Kingdom's technology ecosystem — empowers Indian startup founders building in

Artificial Intelligence, Sustainability, Electric Mobility, PropTech, and DeepTech with funding, mentorship and market access to scale beyond borders.

• THE ROADMAP

Program *Snapshot*.

- Access to 150+ Members**
Founders, mentors, operators and enablers across the network.
- Soft Landing & Entity Setup**
Legal, banking and licensing support to operate in the Kingdom.
- Direct Access to Government**
Warm intros to the ministries and public entities that matter.
- Corporate Pilots**
Structured POCs with regional anchor enterprises across sectors.
- Access to Local Experts**
Domain specialists in AI, EV, PropTech, DeepTech and Sustainability.
- Workspace + Execution**
Dedicated pods in Riyadh plus on-ground operator support.
- GCC Entry Pathway**
A launchpad into UAE, Bahrain, Qatar and the wider GCC.

TARGET MARKET

The Kingdom of Saudi Arabia

Vision 2030

Aligned with KSA's national transformation agenda across digital, sustainability and mobility sectors.

AI EV PROPTech DEEPTech SUSTAINABILITY

• THE ROADMAP

Program *Journey*.

Twenty-two weeks from selection to demo day — a structured runway from pre-launch validation through capacity building, market enablement and graduation.

WEEK 0

Pre-Launch

Selection, onboarding, founder diagnostics and cohort orientation.

WEEK 1

Program Launch

Kick-off in Riyadh — mentor pairing, workspace access, ecosystem intros.

WEEK 2 + 4

Capacity Building

Deep-dives on GTM, regulatory, hiring, product-market fit for the region.

WEEK 5 + 18

Market Enablement

Corporate pilots, ministry intros, investor meetings, LEAP showcase.

WEEK 19 + 22

Graduation & Demo Day

Term sheets, follow-on rounds, GCC expansion planning, demo day.

What's in it for *founders*.

MENTORSHIP

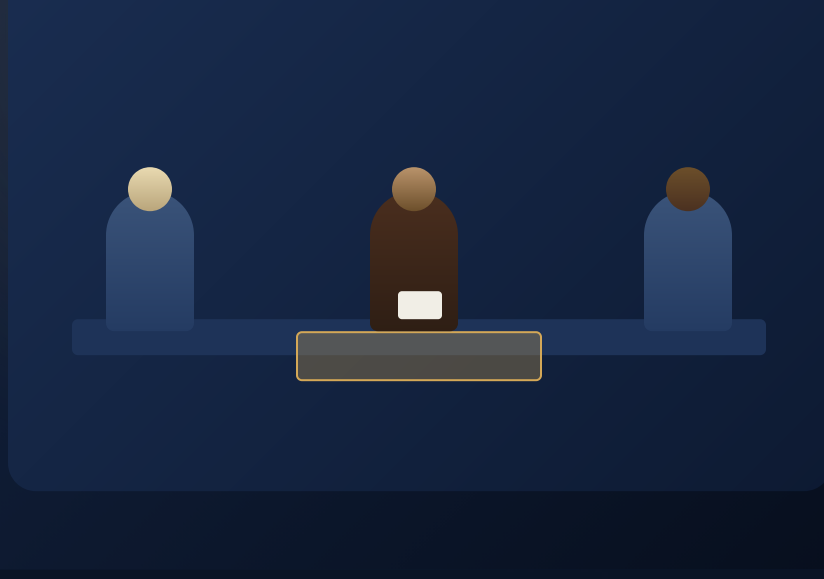

Hands-on mentorship from *operators who've done it*.

- 1:1 mentor pairing across GTM, regulatory, product
- Weekly office hours with regional operators
- Founder-to-founder peer circles

B2B / B2G ENGAGEMENTS

Warm intros to *corporates and government*.

- Curated intros to anchor enterprises
- Structured POC frameworks with ministries
- Procurement fast-track pathways

LEAP 2026

SHOWCASE

Showcase at LEAP, *the region's largest tech stage*.

- Dedicated cohort pavilion at LEAP
- Curated investor & media meetings
- Dedicated pods and demo booths

INVESTMENT OPPORTUNITIES

Access to a *\$15M target fund pool*.

- Pre-committed cheques from regional VCs
- Family office & sovereign co-invest
- Follow-on into Series A rounds
